

# 2024 Program Fee & Financial Assistance

We believe that building confidence and setting youth down the path of a healthy lifestyle is priceless! However, there are real costs associated with delivering the Girls on the Run program to over 800 girls per year. Therefore we do have a program fee.

We are proud to honor our commitment that no girl is ever turned away for the inability to pay the registration fee; therefore, we offer financial assistance (scholarships) using a sliding scale based on household income. School grants can also cover the fee at the full or discounted fee.

## WHAT IS INCLUDED IN THE FEE

- 20 practices facilitated by trained coaches
- Curriculum and lesson materials
- Girls on the Run Water Bottle
- Girls on the Run Race-day T-shirt
- 5K Registration Fee
- 5K Finisher's Medal

## HOW TO APPLY FOR FINANCIAL ASSISTANCE

| Household Income Range | Participant Fee |
|------------------------|-----------------|
| \$0,000 - \$34,999     | \$20            |
| \$35,000 - \$54,999    | \$75            |
| \$55,000 - \$74,999    | \$130           |
| \$75,000 and greater   | \$180           |

The financial assistance process is included within the online program registration.

To use financial assistance, simply answer the questions during registration, and the computer will determine your eligibility based on household income and adjust the fee accordingly. Our minimum fee for any participant is \$20.

If assistance is needed beyond where a family falls in the chart, please email [elizabeth.mcgann@girlsontherun.org](mailto:elizabeth.mcgann@girlsontherun.org).

### Full scholarships are available per request

(a code will be provided that can be used during online registration)

## PAYMENT PLANS ARE *available*

Program fees can be paid in multiple installments.

- Two month payment plan
- Three month payment plan

Options are available to every family, regardless of whether financial assistance is needed. You can choose your preferred payment plan during the online program registration.
