

# Team Sponsorship

## Girls on the Run and Heart & Sole Programming

Girls on the Run RI is a local non-profit dedicated to inspiring girls of all abilities to strengthen confidence, character, care for self and others, connections, and creativity through dynamic lessons and physical activity. As such, we rely on program fees to support our operations and to ensure all girls in our community can participate. A team sponsor desires to support a Girls on the Run Team (for 3rd-5th graders) or Heart & Sole Team (for 6th-8th graders) in a valuable and unique way. As someone who shares our passion for inspiring girls to be joyful, healthy and confident, we are hopeful that you may consider "adopting" a team this Fall season.

We will gratefully provide a tax letter for your records should you choose one of the options below.
